pax8

EMPOWERING AGENTS TO CAPTURE CLOUD REVENUE

Through a co-managed IT model that brings the value of the Pax8 Wingman Experience directly to your clients with our self-service portal, automated provisioning, consolidated billing, and 24/7 US-based support, Pax8 makes it easy for agents to sell in-demand cloud products – increasing your relevancy with clients while capturing revenue from a wide variety of cloud solutions.

MICROSOFT SOLUTIONS

Microsoft 365 offers a single, integrated solution that combines productivity apps with advanced security features, device management, and an always up-to-date Windows OS.

Microsoft Azure is a growing collection of integrated cloud services that developers and IT professionals use to build, deploy, and manage applications through Microsoft's global network of datacenters.

SECURITY SOLUTIONS

proofpoint. supplies advanced email security that complements O365 with URL defense against malicious links and phishing emails, attachment defense, data Loss Protection (DLP)/encryption, and secure email archiving.

SentinelOne provides endpoint security powered by machine learning and automation that prevents and detects attacks across all major vectors, rapidly eliminates threats with fully automated, policy-driven response capabilities, and provides full-context, real-time forensics.

IRONSCALES offers an industry-leading anti-phishing platform to prevent, detect, and respond to email phishing attacks, expediting the time from phishing attack discovery to company-wide remediation from months to seconds.

IBM MaaS360 | With Watson is a trusted mobility management solution that delivers comprehensive mobile security and management for applications, documents, email, and devices.

CONTINUITY & INFRASTRUCTURE SOLUTIONS

Dropsuite delivers a market-leading email data protection solution with scalable SaaS backup and email archiving to safeguard emails, attachments, calendars, and tasks in the cloud.

wasabi offers one-size-fits-all cloud storage that eliminates confusing storage tiers and satisfies nearly all storage performance requirements – all while costing less and being significantly faster than traditional storage services.

WHAT DO AGENTS NEED TO DO?
IDENTIFY CLIENTS WHO ARE A GOOD FIT AND WORK WITH PAX8 TO EASILY MOVE THEIR LICENSES – THEN START EARNING COMMISSION.
