

About RingCentral, Inc.

RingCentral harnesses the power of the cloud to help today's modern, mobile businesses communicate faster, smarter, and more effectively than ever before. Built on a secure and reliable cloud communications and collaboration platform, RingCentral goes beyond cloud PBX, combining voice, team messaging, collaboration, video conferencing, online meetings, and contact center capabilities. Available across multiple devices—from smartphones, tablets, and computers to desk phones—RingCentral's unified communications as a service (UCaaS) solution scales globally, making it easy to administrate across countries from a single platform. With a robust set of open APIs, RingCentral enables businesses to seamlessly embed communications into custom or everyday business applications, improving workflow productivity. Businesses worldwide rely on RingCentral to connect their workforces, build relationships with customers, share knowledge, and get work done—how they want, wherever they want.

- Publicly held company (NYSE: RNG)

"Gartner believes RingCentral to be the top UCaaS provider across multiple metrics, such as supported endpoints, revenue, number of UCaaS employees and capital investment."

—Gartner,
August 2015—2017

"The numbers don't lie here, and illustrate nicely why RingCentral has both the necessary completeness of vision and the ability to act on that vision to make it a Leader in the Magic Quadrant study. With these points in hand, it's safe to assume that RingCentral will carry on in its push to control the market."

—TMC Net Unified Communications,
August 2016

"Cloud communications for the office is the RingCentral bailiwick, and the readers of PCMag agree it provides a great service worthy of an honorable mention."

—PC Mag,
March 2016

"Not only have we reduced the operational headaches of managing multiple, single-point communication solutions, but we've also cut communications and conferencing costs by 80 percent since moving to RingCentral."

—Box CIO Paul Chapman,
August 2016

"Considering the company's product and go-to-market momentum, we believe the company can sustain 25–30% top-line growth and reach \$1 billion in revenue in 4–5 years. We reiterate our Strong Buy rating."

—Raymond James Financials,
September 2016
